Since 1991 **Arohanui Hospice** in Palmerston North has been providing specialist palliative care for patients who have a life-limiting illness. Care provided by Arohanui Hospice enables patients to achieve the best possible quality of life, and provides support to their families. Hospice care is holistic, encompassing the physical, psychosocial, spiritual and cultural needs of the patient and their family.

Care is free of charge and provided wherever people need it - at the hospice inpatient unit, at home or an alternative comfortable environment. Arohanui Hospice is only partially funded by the government and this year needs to raise \$2.6 million from community support.

Proceeds from Hearts & Homes will help Arohanui Hospice to provide care and compassion for more than 860 patients and their families this year, in Horowhenua, Manawatu, Rangitikei and Taranaki.
